GST Level 2 Overview: Since 2011, the Gracies have actively been gathering reports and recommendations from GST Instructors around the world. There were four contributors that went above and beyond in helping the Level 2 course come together. Our special thanks to Charlie Moore (US Marshals Service), Chuck Smith (US Customs and Border Protection), Charles Fernandez (Arlington, TX PD), and Craig Hanaumi (Bellevue, WA PD). Altogether, the GST Level 2 course features 16 totally new lessons including, but not limited to: Handcuffing Procedures, Weapon Retention Strategies (standing and ground), Multiple Officer Arrest Procedures, Gracie Two-man Takedown Techniques, Edged Weapon Defense Strategies (standing and ground), Standing Wall-Control Tactics, CQB Ground Control Tactics and Gracie Teaching Methodologies.	
Exclusive LAB Access: The LAB is an ever-evolving online video library comprised of the new ideas that surface at each GST Level 2 Live Instructor Certification Course. Law Enforcement Officers in attendance from all over the world are asked to share their favorite non-GST techniques they've ever learned (from any source), and these presentations are digitally recorded and uploaded to Gracie University Online. A new LAB session is uploaded after every live GST Level 2 course and access to these recordings is only granted to actively certified GST Level 2 instructors.	
Bring Your Duty Belt and Training Gear: Several of the GST Level 2 weapon retention techniques will be practiced using the duty belt. In order to maximize training benefit, course participants must bring their duty belt/assault vest/web gear, applicable holster, as well as an appropriate training handgun and training handcuffs for use during the week. Please note: absolutely no live weapons will be permitted in the training area at any time. Please do NOT bring: firearms, knives, less lethal devices, etc.
