GST Overview: - This GST Arrest and Control Advanced Instructor course consists of 17 stand-up & ground techniques, taught in 30 hours over a 5-day period. - Techniques address most common threat scenarios encountered by Military & Law Enforcement personnel in the field. - These Gracie Survival Tactics (GST) are extremely effective when you are up against much larger & stronger opponents. - Instructors reduce liability for their agency when they learn safe, effective & proven reality-based techniques. - What sets GST apart from all other similar Instructor Certification Courses is the Gracie University Instructors' exclusive teaching techniques. Drawing from over 85 years of experience, teaching thousands of military & law enforcement personnel & many thousands more students from all walks of life, the Gracies' have developed a detailed, systematic approach in presenting their knowledge known today as the Gracie Teaching Methodologies. This will ensure that course graduates can effectively impart their newfound knowledge & skills of GST to other members of their organization, using the best teaching skills ever developed in this field. In addition to the Hands-On course, graduates will receive the entire Level 1 and Level 2 video courses online (www.GracieUniversity.com) to use for future reference and refresher training. The online GST access will remain for the duration of the certification period. - Open to sworn peace officers only.	
California POST Certification Gracie University has achieved California POST Certification for the GST program. With this designation, any California Peace Officer who graduates from GST Instructor Certification Program (in person) will have their certification recognized and endorsed by the state of California. Here is the course information/description from the CA POST official website: <i>Gracie Survival Tactics covers all of the basic physical skills necessary to safely control a combative suspect, including takedowns, ground control, handcuffing, and weapon retention. In addition, it includes instruction on Use of Force law, Tactical De-escalation Techniques, and extensive instructor development training, including an in-depth study of how to teach psychomotor skills in an adult learning environment. Successful completion of this class satisfies ARSTCTRL PSP for the training cycle in which this course is completed. Per 11CCR1070, successful completion of the course meets minimum training standards for instructors of POST-certified arrest and control courses.</i>
