Drawing from over 85 years of experience, teaching thousands of military & law enforcement personnel & many thousands more students from all walks of life, the Gracies' have developed a detailed, systematic approach in presenting their knowledge known today as the Gracie Teaching Methodologies. This will ensure that course graduates can effectively impart their newfound knowledge & skills of GST to other members of their organization, using the best teaching skills ever developed in this field. In addition to the Hands-On course, graduates will receive the entire Level 1 video course online (www.GracieUniversity.com) to use for future reference and refresher training. POST Credit for GST Completion The GST course is now POST Certified in over 35 states in America, making Gracie University the only jiu-jitsu organization in the country to achieve this distinction. The International Association of Directors of Law Enforcement Standards and Training (IADLEST) launched the National Certification Program (NCP) to establish law enforcement training standards and "best practices" relating to improved professionalism and skill sets for the nation's first responders. Since NCP courses are recognized nationally, any time a Peace Officer from one of the member states completes GST Level 1 Instructor Certification Program (in person), the training hours will count towards the officer's mandatory in-service training requirements. To confirm that your state is an IADLEST member, please visit GST IADLEST Course Number: 21332-2105 - All GST courses are taught by a Gracie University Master Instructor.
